General Membership Information

This Member Information Guide and Member Cards constitute the entire agreement between you and AmeriPlan®.

AmeriPlan® was created to help its members enjoy good health and save money on medical products and services. The Programs are easy to use. You pay the Network healthcare provider directly for all professional services and get instant savings. There are no claim forms and no waiting for reimbursements, just great savings.

This is a Discount Medical Program, NOT INSURANCE; you are responsible for payment of provider fees for services.

Your health insurance is your primary coverage. This supplemental program may duplicate services and products under your insurance. AmeriPlan® does not guarantee the quality of services or products offered by Network providers beyond confirming that the required professional licenses are held in active status.

MEMBERSHIP CARDS

Two permanent membership cards are included with your **AmeriPlan Deluxe** membership. Both cards will be in the member's name and include your membership identification number.

AMERIPLAN APP

Save time and phone calls, by accessing your membership information and maintain some control over your account. Simply download the AmeriPlan App through iTunes or Google Play and access the existing member portion of the app, then click “existing members register here”, complete all the fields (you will need access to your member ID card) and hit the register button. Once this is completed you will have access to your account.

Take a moment and explore all the things you can do:

- Change your address, your phone number or email address
- Add or Delete your household members.
- View your draft date, amount and make changes to your drafting information.
- View your electronic ID card.
- Locate a provider

Share a link with other household members so they may access their benefits and member ID card.

MEMBERSHIP SATISFACTION, COMPLAINTS AND CONCERNS

Your complete satisfaction is very important to us; therefore, AmeriPlan® has instituted an Inquiry & Complaint Resolution Procedure.

You may contact AmeriPlan® regarding any aspect of the AmeriPlan® discount health care card program. Your inquiries or complaints may be made by one of the following four methods:

- Calling AmeriPlan® Customer Support at: 1-800-647-8421
- Sending an email to: complaints@ameriplanusa.com
- Sending a facsimile to: 469-229-4133
- Writing us at:
AmeriPlan® - Customer Support Department
5000 Legacy Drive Suite 300, Plano, Texas 75024

Examples of complaints include, but are not limited to, the following:

- Difficulty locating provider in area that accepts discount card.
- Did not receive discount.
- Difficulty getting network provider to accept discount card.
- Question concerning ACH draft or Credit Card payments.
- Difficulty terminating membership or obtaining refund.
- Other (Explain).

All inquiries and complaints will be addressed within 24-48 hours of receipt, excluding weekends and holidays, during regular business hours. If the issue is of an urgent matter, call Customer Support and you will be transferred to the department that can address your issue immediately. To validate your complaint, you must include your membership number and a complete description of your dissatisfaction.

Upon receipt of a valid complaint, AmeriPlan® will use the following actions to resolve your inquiry:

- Record your name, address, member number and date received
- Code Type of Complaint (see examples, above)
- Send you a written acknowledgment of receipt of your complaint within 5 days.
- Obtain and review the records relating to your complaint.
- Make a resolution of your complaint and inform you of such within 30 days of receipt of your complaint.

Should your complaint pertain to an un-resolvable “quality of care” issue, the patient liaison will supply you with the name, telephone number and address of the appropriate agency in your state to direct your complaint.

BILLING AND SERVICE PROBLEMS

If there is a problem with your payment or if you wish to change your payment method, call Bank & Credit Card Services toll free 1-800-550-9726.

AMERIPLAN® SATISFACTION GUARANTEE & CANCELLATION BY MEMBER

If you are not satisfied within 30 days of your activation date, you may cancel your membership by written request.

- In writing to: AmeriPlan® Bank and Credit Card Department
5000 Legacy Drive Suite 300, Plano, Texas 75024.
- By facsimile to: 469-229-4595.
- By email to: cancel@ameriplanusa.com

You MUST include your member number with your written cancellation request.

AmeriPlan will not collect additional membership fees once your cancellation request is processed.

Refunds: If you are not satisfied within 30 days of your activation date you may cancel and receive a refund of the membership fee paid. The one-time registration fee is Non-refundable. Please allow 30 days processing time for refunds. Cancellations received after the 30 day deadline will not be eligible for a refund.

AmeriPlan is not responsible for money paid for healthcare services and products received from providers.

NO TELEPHONE CANCELLATION REQUESTS WILL BE ACCEPTED.

MEMBERSHIP CANCELLATION BY AMERIPLAN®

AmeriPlan® can cancel a membership for any of these reasons:

- If a member or a dependent member permits or commits fraud by unauthorized use of the membership card(s).
- If there is a chronic unsatisfactory provider/patient relationship. Cancellation will occur only after reasonable efforts are made to establish and maintain satisfaction between both parties. If cancellation is necessary, the member will be notified prior to cancellation and the member's account will be credited or a refund check issued for any unused portion of the membership dues.
- If the Programs are withdrawn nationally or from the geographic area where the member lives.

If a membership is cancelled, the participating providers will complete any work covered that began before the cancellation date. The member must pay the provider's usual fees for any work that is done after the cancellation date.

For residents of Florida, Nevada and Oklahoma:

If you cancel your membership and you paid either quarterly or annually, you will receive a prorated refund of your membership fee based on the number of unused months.

For residents of Arkansas, Colorado, Maryland and Tennessee:

If you cancel your membership within 30 days, the membership fee and one-time administrative charge will be refunded.

For residents of Louisiana:

If your membership is canceled for any reason other than non-payment of charges you will be notified prior to cancellation and your account will be credited or a refund check for any unused portion of the membership dues.

MOVING OR TRAVELING?

Log on to your Member Portal or Contact Member Services at 469-229-4501 or 1-800-647-8421 to change your address. If you are traveling and need the services of an AmeriPlan® Provider, Member Services will be glad to assist you. When traveling refer to the fee schedule map in this guide to determine the appropriate fee schedule.

ARBITRATION OF CLAIMS

Any issue, dispute, claim or controversy (collectively, the "Claim") between you and AmeriPlan, arising out of or relating to your membership, shall be resolved by binding arbitration at the AmeriPlan headquarters in Plano, Texas. The Claim shall be governed by the laws of the State of Texas.

A party alleging a Claim shall send to the party against whom the Claim is asserted a written notice of its intention to submit the Claim to confidential and binding

arbitration (the "Demand") under the Commercial Rules of Arbitration of the American Arbitration Association (AAA). The Demand shall be sent to the other party no later than ten (10) business days prior to filing the Demand with the AAA office authorized to administer the arbitration.

An award may be confirmed by a court of competent jurisdiction, the right of either party to appeal confirmation of the award shall be governed by the provisions of the Federal Arbitration Act.

■ AmeriPlan Dental® Program

- You select the dentist of your choice in the AmeriPlan® network.
- 15% to 80% savings on dental procedures performed by a program dentist.
- Special savings on specialist work such as braces, oral surgery, root canals, gum treatment and children's dental work.
- No waiting period before you can use the program.
- No limits to the number of visits prescribed by your dentist.
- All ongoing dental problems are accepted except for orthodontic treatment in progress.
- You know the discount amount you will pay.
- No paperwork, no insurance companies to deal with.

SELECTING OR CHANGING PROGRAM DENTIST

AmeriPlan's® dentists meet all the state board requirements for the state in which they practice. It is best to establish yourself and your family members as patients with a program dentist as soon as possible. Therefore, should you have a dental emergency you will be a patient of record. Should you need help in selecting a dentist, you may access the AmeriPlan® Web site, www.ameriplanusaprovidersearch.com, or call Member Services at 469-229-4501 or 1-800-647-8421. We can tell you about office hours, handicapped accessibility, where the dentist went to school and other facts about the dental office.

IF YOU NEED A SPECIALIST*

Your regular program dentist is called a general dentist and does several types of dental procedures, sometimes including treatment that is also done by a specialist. A program specialist is a dentist with an advanced degree who specializes in one area of dentistry such as root canals, braces, or oral surgery, etc. If you need special dental treatment, your program general dentist may send you to see an AmeriPlan® specialist where you will receive reduced fees for treatment. Exception would be for orthodontics, as you may go directly to this specialist.

** All specialists may not be available in all areas.*

WHAT TO EXPECT ON YOUR FIRST VISIT

When you call for your first appointment with a program dentist, identify yourself as an AmeriPlan® member and give the appointment scheduler your member ID number. Always have your AmeriPlan® card available for the dental office staff at the time of any dental appointment. Present your card upon arrival as the dental office

staff will contact AmeriPlan® to verify your active status. On your first visit you will be asked to complete a patient questionnaire and medical history, including all current medications. A comprehensive exam and x-rays will enable your program dentist to evaluate your dental needs.

Then the dentist and/or office staff personnel will discuss a proposed treatment plan and the corresponding AmeriPlan® fees. You may or may not receive a teeth cleaning at this appointment, depending upon the dental office policy.

If you have not had your teeth cleaned in over a year or have existing periodontal problems, you may require a deeper cleaning. This will cost more than the regular cleaning. An infection control fee may be assessed at every appointment to cover precautions used to protect your health against the transfer of communicable diseases.

MISSED APPOINTMENTS

A missed appointment without a 24-hour notice will incur an additional charge. Most dental offices have cancellation policies in place that will take precedence.

EXCLUSIONS AND LIMITATIONS

- Services for injuries or conditions that are covered under Workmen's Compensation or Employers Liability Laws.
- Cost of dental care covered under automobile, medical, no fault or similar type insurance.
- Services that cannot be performed because of the general health of the patient.
- Any hospital or medical charges of any kind, except for general anesthesia, performed in a dental office.
- Out of pocket expenses for dental procedures performed by an out-of-network dental office.
- Reduced fees will not be honored if dental treatment is already in progress or if the patient's membership is no longer valid.
- Any member accepted for orthodontic treatment through the program must remain a member for the full duration of their treatment or risk additional charges from their program orthodontist.
- A patient's existing dental or medical condition may necessitate extra precautionary procedures and require additional charges.
- Any treatment not specifically included in the skill and learning of the Plan dentist.
- Discount on dentist's cost of implant fixtures.

**** This program is not insurance coverage and does not reimburse you or the dentist.***

■ AmeriPlan® Vision Program

The AmeriPlan Vision program is administered by Coast to Coast Vision. The Vision Plan has contracted with over 12,000 eye care professionals nationwide to give you 20% to 60% discounts on eyeglasses, contact lenses, and other items offered at retail prices.

Since the AmeriPlan Vision program is not insurance, there are no forms to fill out, claims to file, or waiting periods. All frames, lenses, and specialty items such as tints, scratch resistant coatings, and ultraviolet protection are available. There is no limit on eyewear selection or the number of times the member and their family may use the membership during the year. Members can use their own doctors or any Plan doctor for an eye exam.

Savings on eye exams are available in some areas through a plan doctor ONLY. Members should ask the Plan Administrator's Customer Service Representative if savings on exams are available in their area.

The AmeriPlan®/Coast to Coast Vision program also contracts with optometrists and ophthalmologists (M.D.s) in selected markets across the United States to provide our members with discounts on eye exams and surgical procedures (including RK & ALK surgery).

HOW TO USE THE AMERIPLAN® VISION PROGRAM

- Participating Vision providers in your area may be located at: www.ameriplanprovidersearch.com or by calling 1-800-647-8421, Monday through Thursday from 8:30am to 5:00pm and Friday 8:30am to 4:00pm CST. Give the operator your member number located on the front of your membership card.
- The Customer Service representative will ask for your zip code, then give you the participating optical locations in your area. If you would like your eye care professional to be contacted about participating as a provider in our program, please send email to referral@ameriplanusa.com or give the operator his or her name, address & telephone number.
- You must show your AmeriPlan®/Coast to Coast membership card to the eyewear provider at the time of your visit to receive your savings.

Your satisfaction is fully guaranteed. If for any reason you are not completely satisfied with a purchase at the retail locations, simply return the merchandise within 30 days for exchange or full refund. If you find a lower price anywhere else on the same complete pair (lenses and frames) of prescription eyeglasses within 30 days of purchase at a participating location, the difference will be cheerfully refunded.

REPLACEMENT CONTACT LENSES (Mail Order Only)

Replacement contact lenses can be ordered through the Mail Order Service at a 10% to 40% discount. All major brands of soft lenses are available, including disposables, torics, and bifocals. Gas permeable materials are also available.

- Call 1-800-878-3901, Monday through Friday, 7am to 7pm and Saturday 8am to 5pm CST for a price quote or to place an order. Give the operator the brand name and type of lenses you wear.
- Federal law requires you to mail or fax a copy of your prescription to the contact lens company before you can place an order. Their address is: Contact Lens, P.O. Box 810255, Farmers Branch, Texas, 75381.
- Once a valid doctor's contact lens prescription is received, you and your family may place orders as often as you wish prior to the expiration date of the prescription.

- Most orders are shipped within 24 hours via overnight delivery, and can be paid for by Visa, MasterCard, money order, or check. If for any reason you are not completely satisfied with a purchase through the mail, simply return the merchandise within 30 days for exchange or full refund.

Mail order replacement contact lenses services are not available in the state of New Jersey.

QUALSIGHT LASIK VISION CORRECTION

QualSightsm is a vision correction management company that has contracted with a nationwide network of Board Certified Ophthalmologists to perform LASIK vision correction in a managed care environment. QualSightsm is unique in that the LASIK vision correction procedure is provided with pricing that represents a 40% to 55% savings when compared to the national average cost of LASIK.

LASIK can provide a cure instead of just treating the condition. LASIK surgery is a highly successful surgical procedure used to treat near-sightedness (myopia), far-sightedness (hyperopia), and astigmatism. Additionally, QualSightsm has contracted with providers for an additional laser procedure, Custom LASIK, that addresses for some patients corneal irregularities and aberrations which if not treated could cause, for example; reduced night vision, halos, glare, etc.

Members access the program by calling QualSightsm at 1-888-582-6695 and talk to a QualSightsm Care Manager. The Care Manager will conduct a preliminary screening to ensure the member is a potential candidate for LASIK. They will also review local physicians' credentials and the member selects the physician. The Care Manager will also discuss the financial aspect (deposit and financing if requested) for the selected procedure. A fully refundable deposit is collected and an appointment scheduled with the selected physician. The member will have a pre-operative exam including a clinical screening to qualify the member for the procedure. On the day of the procedure the member will pay the remaining balance and the physician will submit an electronic claim to QualSightsm.

The post-operative exam will be conducted by the physician and the QualSightsm Care Manager will actively monitor the progress of the member. QualSightsm also collects outcomes from the doctor to assist in network management; and for analysis and reporting to Plan Sponsors and the provider community.

Patient satisfaction surveys are conducted on all patients and summary results are also provided to the Plan Sponsor.

In addition, access to the QualSightsm network will entitle members to obtain the basic LASIK procedure for \$945 per eye (\$1890 for both eyes). This represents a savings of 48% to the individual receiving LASIK over the current national average cost of \$1814 per eye. A Custom LASIK upgrade is an additional \$405 per eye for a total cost of \$1350 per eye (\$2700 for both eyes). This represents a savings of 46% to the individual receiving Custom LASIK over the current national average cost of \$2500 per eye.*

QualSightsm also offers a "Lifetime" Retreatment option to AmeriPlan[®] members.

For additional information or providers in your area please contact QualSightsm Care Management Center at 888-582-6695.

*Hawaii fees slightly higher.

■ AmeriPlan® Prescription Program

The Retail Pharmacy Program will save you money on most prescription drugs at tens of thousands of retail pharmacies nationwide. The Prescription Home Delivery Service Program should save you money on maintenance type medication to treat chronic health conditions. These programs are an open formulary which provide you with cost savings and up-to-date prescription drug monitoring for your protection.

Discounts offered through the use of the AmeriPlan® pharmacy discount card are NOT insurance or a Medicare Prescription Drug Plan and are NOT intended as a substitute for insurance.

HOW THE RETAIL PHARMACY PROGRAM WORKS

- To locate a participating network pharmacy in your area, go to: www.ameriplanusaprovidersearch.com or call customer support at 1-866-451-9636, Monday through Friday 8:00am to 5:00pm MTN.
- Take your prescription and your AmeriPlan® card to your participating pharmacy. Be sure to present your card before your prescription is filled. The pharmacist must see your membership card and enter your unique group and identification number for you to receive your preferred pricing.
- The Plan administrator, will calculate the preferred drug pricing for your medications and will electronically relay this information to the pharmacy.
- Pay the total cost of your prescriptions as indicated by the pharmacist at the time of purchase.

You may or may not receive a savings on some high volume or maintenance drugs. These medications are normally already reduced at the retail level.

INCLUDED DRUGS

This program includes most legend drugs which, by federal law, require a physician's prescription. Additionally save on over-the-counter medications like smoking cessation aids and diabetic supplies. You must receive a prescription from your physician and it must be processed by the pharmacist.

GENERIC DRUG SAVINGS

A generic drug is the chemical copy of a brand name prescription drug. On average, generic drugs cost about 50% less than brand name drugs and, like their brand name counterparts, they are:

- Dispensed in the same dosage,
- Taken in the same way, and
- Packaged in the same unit strength.

HOME DELIVERY PHARMACY PROGRAM (HDPP)

- Your medications are dispensed by registered home delivery pharmacists.
- Medications are shipped to you by USPS 1st Class. (Express shipping is available for an added charge).
- You can track your prescriptions by calling toll-free at 1-866-451-9636.

HOW THE HOME DELIVERY PHARMACY PROGRAM WORKS

You may participate in the AmeriPlan® RX Home Delivery Pharmacy Program (HDPP) if you take maintenance medications. A maintenance medication is taken regularly to treat acute or chronic health conditions, such as high blood pressure, ulcers or diabetes. This mail service gives you significantly discounted prices on your maintenance prescription medications.

Once you are an active member in the HDPP, you may call for price quotes over the phone on maintenance medications. These price quotes are valid for that day only. Prices can be subject to change without notice. Please have your group and ID numbers, prescription and dosage information ready when you call the AmeriPlan® HDPP line toll-free at 1-866-451-9636.

HOW DO I PARTICIPATE?

- Call the AmeriPlan® HDPP dedicated Customer Service line toll-free at 1-866-451-9636.
- A Customer Service representative will enroll you over the phone to use the AmeriPlan® HDPP.
- Representatives are available Monday through Friday from 8am to 5pm MTN.
- Refills may be filled by mail and phone. Customer care reps are available 24 hours a day, seven days a week by calling toll free 1-866-451-9636.

For your long-term prescription needs:

If you need medication on an ongoing basis, such as to treat asthma or diabetes, you can ask your doctor to prescribe up to a 90-day supply for home delivery, plus 3 refills for up to 1 year.

USING THE HOME DELIVERY PHARMACY PROGRAM FOR THE FIRST TIME

Ask your doctor to write a new prescription for up to a 90-day supply, plus 3 refills (if appropriate) for up to 1 year. Prescriptions may be submitted:

- By fax: Ask your doctor to fax your prescription to: 1-888-830-3608. Only your doctor may fax a prescription. Please be sure to give your doctor your Member ID number, which is on your prescription ID card. You will be billed later.

Your medication will be delivered to you within 7 to 11 days after you mail your order. Standard shipping is included in the cost of your prescription. When placing your order, you should have at least a 14-day supply of that medication on hand to hold you over. If you do not have enough medication, you may need to ask your doctor for another prescription for a 14-day supply to be filled at your participating retail network pharmacy. For Customer Support call 1-866-451-9636.

AmeriPlan truly is ~

**“Saving America money ...
one household at a time!”**

REFILLING YOUR PRESCRIPTION

You can easily refill your home delivery prescriptions, by telephone, or by mail. Have your Member ID number (which is on your prescription ID card) and your prescription number for the medication handy.

- By telephone: Call 1-866-451-9636 to speak with a live technician.
- By mail: Use the refill order form that will accompany your prescription and mail them with your payment.

To make sure that you don't run out of your medication, remember to reorder 14 days before your medication runs out. You can find the refill date on your prescription bottle, and on the refill slip that comes with every order.

PAYING FOR YOUR MEDICATION

You may pay by Visa, MasterCard, Discover/NOVUS, or by check or money order.

PRESCRIPTION MONITORING

Occasionally a prescription drug may cause a problem. The problem may be predictable, perhaps avoidable, if your physician and pharmacist are aware of your medical history, current medications and the many different combinations that cause harmful drug reactions. The AmeriPlan® Prescription Program includes a special prescription monitoring service called drug utilization review. This process electronically alerts your pharmacist to important information, such as your individual drug history, the possibilities of interaction among various drugs and how long it has been since your last prescription was filled. If the potential for drug-related illness exists, an alert message is sent to your pharmacist. The pharmacist can then inform you, check with your doctor, or make a professional judgment whether to dispense your prescription.

■ AmeriPlan® Chiropractic Program

The AmeriPlan Chiropractic® program is administered by Chiropractic Plans of America®

- 30%-50% savings on chiropractic care through our network of more than 7500 private chiropractors.
- Free initial consultation
- 50% savings on diagnostic services and x-rays (if necessary)
- 30% savings on treatments and most other services

HOW TO USE THIS PROGRAM:

- To locate a participating Chiropractor in your area, go to: www.ameriplanusaprovidersearch.com or call Member Services at 1-800-647-8421, Monday through Thursday 8:30am to 5:00pm and Friday 8:30am to 4:00pm CST.
- If your chiropractor is not currently participating in our program, please send email to referral@ameriplanusa.com or give the customer service representative his/her name, address and telephone number, and we will forward it to the Chiropractic Plans of America® Provider Relations Department. They will contact the chiropractor's office about joining our growing network of professionals.
- Call the participating chiropractor to set up an appointment. Be sure to tell the office you are a "Chiropractic Plans of America®" member.
- You must show your AmeriPlan®/CPA membership card at the time of visit to receive the discount.

AmeriPlan truly is ~

**"Saving America money ...
one household at a time!"**

■ AmeriPlan Telemedicine Program

Telemedicine is a simple, affordable complement to your everyday healthcare needs. From their consultation interface, to their auto-synchronization with your electronic health records, they've built a healthcare delivery system that's focused on access, affordability and convenience.

The member, and any family member living in the member's home will pay \$25.00 for a diagnostic consultation. However, there is no charge and no limit on Informational Medical Consultations.

THE NETWORK

We've partnered with an organization that has established a rigorous background screening and credential verification process for each and every physician applicant. Physician applicants begin a multi-stage interview process, meeting with Network doctors and staff. They are assessed on the basis of medical treatment proficiency, strengths in personal communication, and their ability to confidently treat patients.

Upon completion of the credentialing verification process, physicians must take part in extensive physician training, to master the technical aspects of telehealth. Throughout this training process, physicians engage in a wide range of scenario consultations, preparing them for the most common treatments, as well as rare and out of the ordinary situations. New physicians begin taking consultation appointments only when they've attained the highest level of proficiency and confidence on the platform.

INFORMATIONAL AND DIAGNOSTIC MEDICAL CONSULTATIONS:

We offer the convenience of on-demand access to physicians, through our secure messaging system or over the phone, for general advice and recommendations regarding a range of routine medical conditions.

For in-depth consultations, including prescription requests or re-fills, we offer anytime access to physicians over the phone. All you have to do is schedule an appointment on line or by phone.

ELECTRONIC MEDICAL RECORDS

Our electronic medical record system is a HIPPA compliant feature that centralizes and simplifies your healthcare management. Before consulting with a physician, we require that our members complete a comprehensive medical history profile. The information submitted on each profile is secure and confidential, and is automatically filed as a permanent part of your electronic medical record. Each time you log in, you'll have complete access to detailed records of every physician encounter you've ever had on our site.

SCHEDULE APPOINTMENTS

With a scheduled appointment, you'll receive an in-depth consultation from a network physician who will review your medical questions, diagnose your condition, recommend treatment, and, if medically necessary, write you a prescription.

HOW TO USE:

Call 1-866-901-7307 to activate your account. Once activated, you may log on to your member portal (<https://portal.mytelemedicine.com/ameriplan>) to schedule a consultation with a physician licensed in your state. A Care Coordinator will triage and update your Electronic Health Record (EHR) along with all symptoms. You will consult with a Physician who will recommend a treatment plan. If a prescription is necessary, it's sent to the pharmacy of your choice. The doctor will update the your EHR immediately after the consultation. You will have 24/7 secure access to your member portal.

■ Health Advocacy

HOSPITAL ADVOCACY PROGRAM

The Patient Advocacy Program is designed to help members with their medical bills whenever a related medical incident includes a hospital or similar facility charge. AmeriPlan has contracted with The Karis Group, one of the largest Hospital/Patient Advocacy organizations in the country.

Karis360 is not insurance and does not provide funds to pay for bills. This is a best-efforts service. Results cannot be guaranteed.

How the Hospital/Patient Advocacy Program will work:

- Once you have been advised by your physician that a hospital occurrence will be necessary, you will need to contact AmeriPlan at 1-866-977-2477.
- You will be asked a variety of questions to determine the nature and scope of the medical incident.
- The total cumulative medical costs per incident must be at least \$1500. (For the insured, this means the amount you are personally responsible for, aside from your deductible.) If this requirement is met, the member will be transferred to the Patient Advocacy Coordinator. (If a member opens a case for Bill Negotiator services before medical bills are incurred at a hospital or surgery facility, so long as admission is scheduled and the Member has a written estimate for pricing by the hospital or surgery facility, Karis will provide the Member with relevant information about cost and payment options.)
- The member will receive a medical release form which must be signed and returned to The Karis Group. If the form is not signed, it may delay the processing of your paperwork.
- An Advocate from The Karis Group will contact the member to determine the best course of action to obtain the best care at the lowest available cost.
- If a member visits the hospital on an emergency basis, a Patient Advocate negotiates with the hospital on a post-confinement basis.
- There is a three (3) business day waiting period from the active date of your membership to access any hospital advocacy service. Member must remain in "Active" status during the entire hospital advocacy process.

Fax or Mail your completed Patient Advocacy Service Request Form to:

The Karis Group
Attn: AmeriPlan Health® CSR
5113 Southwest Parkway
Suite 175
Austin, Texas 78735
Fax Number: **512-828-8165**

If you have not been contacted by The Karis Group within 5 -7 days please contact the AmeriPlan Patient Advocacy Coordinator at 1-800-256-3368 x4340.

■ AmeriPlan® Hearing Program

In an effort to maintain its position as the leading discount health program provider in the country, AmeriPlan® has addressed another critical and growing healthcare need. There are currently more than 28 million Americans with some form of hearing disorder and that number is growing annually. Hearing disorders do not have any boundaries, such as age, income levels, geography or any other factors. Everyone is susceptible and anyone can be struck. For those who are not yet affected, it may seem like a minor matter, but it is not.

Early detection and preventative care is important in the arena of hearing health. AmeriPlan® is very proud to have assembled the best hearing resources available in the country today and to offer these services through, AmeriPlan® Hearing Services. AmeriPlan® members can expect to save from 25% to 40% on their hearing services.

ALL AMERICAN HEARING

All American Hearing is a nationwide network of hearing care professionals comprised of top researchers, technology providers and patient practices. These professionals are friendly, knowledgeable, trust worthy and are committed to making your journey to better hearing both comfortable and satisfying.

AmeriPlan members will not be charged for testing and evaluation, and will receive a 50% discount off the manufacturers suggested retail price on hearing aids, repairs and batteries. To find a location near you, call 1-866-629-7657.

EAR PROFESSIONALS INTERNATIONAL CORPORATION

Ear Professionals International Corporation (EPIC) is another one of AmeriPlan's hearing services and product provider. EPIC has a network of more than 2,500 audiologists and 750 physicians. These professionals are available to diagnose and treat your hearing issues. To find a location near you, call 1-800-394-0181.

By assembling these great resources, AmeriPlan® has created a hearing care network of more than 4,000 professionals across the country. There is service available almost anywhere.

■ Dental Appendix

COMMON DENTAL TERMS AND DEFINITIONS

- Abscess:** *an infected, inflamed area containing pus, usually caused by a problem tooth.*
- Abutment:** *a tooth or root that is fitted with a crown to support a bridge or partial denture.*
- Alloy:** *a mixture of two or more metals. Several alloys are used to repair teeth: noble (mostly silver), high noble (mostly gold) and “base” metals. The cost of a filling or crown depends on which alloy is used.*
- Amalgam:** *a metal alloy used in filling cavities.*
- Base metal:** *metal alloys used for partials or crowns which contain no precious metals.*
- Bitewing x-ray:** *films of upper and lower teeth used to check for decay between teeth and under gums.*
- Bonding:** *a cosmetic procedure that restores damaged teeth.*
- Bridge:** *a non-removable replacement for missing teeth made with crowns and pontics.*
- Cavity:** *tooth decay caused by bacteria which, if not treated, can destroy the tooth.*
- Cephalometric x-ray:** *used to make precise measurements for braces.*
- Crown:** *an artificial tooth or cap which covers a tooth weakened by decay.*
- Denture:** *an artificial substitute for natural teeth and surrounding tissues.*
- Diagnostic photographs:** *pictures taken by the dentist to plan treatment, particularly for braces.*
- Diagnostic cast:** *a mold or “study model” of the mouth made by taking an impression of the teeth.*
- Endodontics:** *the treatment of tooth pulp disease and infections of the root canal.*
- Filling:** *a durable material (gold, a resin, or amalgam) used to fill a cavity and halt decay.*
- Fluoride:** *a compound used in water and dental products and procedures to reduce tooth decay.*
- Full mouth x-rays:** *12 to 18 films taken when needed to check on dental disease.*
- Gingiva:** *gum tissue.*
- Gingivectomy:** *the surgical removal of diseased or inflamed gum tissue.*
- Gingivitis:** *an early stage of gum disease that causes inflammation.*
- Impacted tooth:** *a tooth that does not come through the gum normally.*
- Inlay:** *A precision cast filling that is cemented in a prepared cavity, usually made of gold or porcelain.*
- Malocclusion:** *an abnormal alignment of the teeth.*
- Onlay:** *a precision cast filling, usually made of gold or porcelain, covering the entire chewing surface of the tooth; larger than an inlay.*
- Oral surgery:** *a dental specialty limited to the surgical removal of teeth and the treatment of disease, deformities, and defects of the jaws and associated structures.*
- Orthodontics:** *the alignment of teeth, usually through the use of braces.*
- Osseous surgery:** *repair of the bone structure supporting the teeth that has been damaged by gum disease.*

Panoramic x-ray: *a complete view of the teeth, jaws and surrounding bone on one film.*

Partial denture: *removable artificial teeth that keep the remaining natural teeth from changing position and improve chewing ability.*

Pediatric Dentistry: *a dental specialty limited to treatment of children from birth through adolescence.*

Pedicle soft tissue: *graft replacement of damaged gum tissue.*

Periapical x-ray: *close-up of an individual tooth and the surrounding tissue.*

Periodontal disease: *gum disease.*

Periodontics: *the prevention and treatment of gum disease.*

Periodontitis: *a more severe gum disease that can lead to tooth loss in adults.*

Plaque: *a sticky, nearly clear layer of bacteria on teeth.*

Pontic: *an artificial tooth used in bridges.*

Prophylaxis: *a teeth cleaning to remove tartar, plaque and stains.*

Prosthodontics: *a dental specialty limited to the restoration to the natural teeth and/or the replacement of missing teeth.*

Pulp: *the live tissue within the tooth.*

Pulp capping: *the use of medicine on a decayed part of a tooth to protect the pulp and help healing.*

Pulpotomy: *partial or complete removal of damaged dental pulp to relieve pain. A root canal is usually recommended to save the tooth.*

Quadrant: *one-fourth of the mouth.*

Reline: *to add new material on the underside of a denture to improve the fit and chewing ability.*

Resin filling: *a tooth-colored plastic material used instead of alloys for a less noticeable, more natural appearance.*

Root canal: *a treatment used on a tooth with damaged pulp to stop infection and save the tooth. The pulp is completely removed, the inside of the tooth is sterilized and sealed to prevent infection.*

Scaling and root planing: *a thorough cleaning of tooth surfaces below the gum line to eliminate inflammation and control disease, usually performed during several visits and under local anesthetic.*

Sealant: *a plastic coating applied to teeth to prevent decay.*

Tartar: *mineralized, hardened plaque that cannot be removed by brushing and flossing.*

Temporomandibular joints: *the left and right hinges that connect the jaw with the skull.*

Tooth surface: *one of the five sides of a tooth above the gum line.*
